

Shrooma – Psytrance DJ and Producer

ABOUT THE PROJECT

Shrooma is a psy/progressive trance artist and DJ based in Copenhagen, blending deep hypnotic grooves, explosive drops, and twisted psychedelic elements.

Inspired by the European underground and Denmark's trance scene, Shrooma delivers energetic sets that invite listeners on a musical journey—a ritual where body and mind dissolve.

Shrooma just released his debut single (May 9, 2025), marking the beginning of a unique sonic universe. Several tracks are already in the works and will be released over time, focusing on a deep, atmospheric, and powerful sound that balances the spiritual with the chaotic.
